

# WHAT A WONDERFUL WOLRD

La 7            Re            Solbm Sol            Solbm  
I see    trees of green, red roses too

Mim 7            Re            Solb 7            Sim  
I see them bloom            for me and you

          Sib                            La            La 7            Re            Re 5+  
And I think to myself, what a    wonderful world

La 7            Re            Solbm            Sol            Solbm  
I see    skies of blue and clouds of white

          Mim 7                            Re            Solb 7            Sim  
The bright blessed day, the dark sacred night

          Sib                            La            La 7            Re            Sol  
And I think to myself, what a wonderful world

Re            La 7                            Re  
The colours of the rainbow, so pretty in the sky

          La 7                            Re  
Are also on the faces of    people going by

          Sim                            La            Sim            La  
I see friends shakin' hands, sayin' How do you do?

Sim                            Re# dim            Mim 7            Re# dim            La 7  
They're really saying            I            love            you

          Re            Solbm            Sol            Solbm  
I hear babies cryin', I watch them grow

Mim 7                            Re            Solb 7            Sim  
They'll learn much more than    I'll ever know

          Sib                            La            La 7            Re            Solbm 7  
And I    think to myself, what a wonderful    world

La 7            Mim 7                            La 7            Re  
Yes, I think to myself, what a wonderful world
